

<b>Member Privately Owned Vehicle Identification</b>	
DAUPHIN ISLAND FIRE RESCUE	<b>OG-1205.16.01</b>

**PURPOSE**

The purpose is define the use of DIFR identification instruments. The mirror hanger is designed to identify the privately owned vehicles of DIFR members.

**SCOPE**

All members and any agencies granting the use of the identifications.

**PROCEDURE**

- Each active member of DIFR is eligible for one mirror hanger.
  - Each mirror hanger is numbered and a log is kept of who one has been issued to. The hanger shall be surrendered if the member resigns, is terminated or at the request the Mayor or his/her designee, Mobile County Sheriff's Office or the FC/AFC/EMSC/AEMSC.
  - The mirror hanger does not take the place of reentry passes or beach parking sticker.
  - The hanger does not grant the member any privileges, discounts or special property entry unless such permissions are granted via the Mayor, Mobile County Sheriff's Office or a private business. Any permission or benefit will be outlined by the Fire Chief and may be revoked at any time if misused.
  - If used to gain entry the members' POV shall not be hauling any trailers or boats unless it is DIFR equipment.
  - If used to gain entry to a permitted area the member shall not escort another vehicle into permitted areas.
